**Kathryn E. Lane**  
**Director of Finance**

Kathryn Lane joined the Foundation in 2011. She has her Bachelor degree in Accounting with a minor in Political Science from the Florida State University. She is a member of the American and Florida Institute of Certified Public Accountants and an alumna of Phi Mu Fraternity.

Kathryn spent more than five years specializing in nonprofit organizations as an auditor in a regional public accounting firm in Clearwater, and now serves as the director of finance for the Foundation.

During her time at the Foundation, she has worked towards a more streamlined approach to gift processing and records management, while supervising the donor database. Additionally, Kathryn helps implement new strategies and technology that will further assist in financial management and reporting, keeping the Foundation competitive and current in our market.
